ABC Health Care - Fredericksburg Office
1320 Central Park Blvd Second Floor, Suite 200
Fredericksburg, VA 22401
(See back for map)

To our Patients,

When pulling into the front of the building with the address above you will see “Bank of America,” “Lendmark,” and “Cherry Hill Cabinetry.” Make your way behind this building to park and enter for your appointment. There are no signs on the outside of the building that say “ABC Health Care” just the address number 1320. Enter through the back doors and take the elevator to the second floor. Please note we are not listed on the directory inside the building. Once off the elevator turn left and go through the glass double doors. You will be greeted by a receptionist who will notify the sleep tech upon your arrival.

Please arrive on time to your scheduled appointment and, if possible, please allow yourself some extra time to find our location. If you are more than ten minutes late, you may be required to reschedule your appointment. Please understand this is for the courtesy of other patients and their appointment times following yours.

If you have difficulty locating us on the day of your appointment, please call the scheduling department at 540-228-1934 for further assistance.

Sincerely,

ABC Health Care
